**UNITED STATES' MOTION TO SEAL**

The United States of America, by and through its undersigned counsel, respectfully requests that the Court seal the United States' *Ex Parte* Application for Post-Indictment Protective Order Pursuant to 21 U.S.C. § 853(e), this Motion, and any resulting Order, with the exception that the United States be allowed to disclose such documents for purposes of effectuating law enforcement goals, including that of restraint and forfeiture. Premature disclosure of the information contained in the identified documents could jeopardize an ongoing federal criminal investigation by alerting defendants of their impending arrests and causing the dissipation of assets subject to forfeiture.

The United States also requests that the aforementioned documents be automatically unsealed when the Indictment is unsealed.

Respectfully submitted,

**JUAN ANTONIO GONZALEZ  
UNITED STATES ATTORNEY**
